Progress in the establishment of new vanaspathi  
factories- Papers recorded.**

NOTEFILE:

Development (P & D 11) Department.

Sub:- Industries- Vanaspathi industry- Progress in the establishment of factories.

Under the immediate expansion scheme of vanaspathi industry, 7 now vanaspathi factories of 10-20 tons daily capacity have been permitted to be started in this Province, and these factories are established respectively at Seethanagaram (Vizagapatam Dt.) Hagari, Bomnahalle (Bellary Dt), Guntur, Chittoor Katpaid (North Arcot Dt.), Villupuram (South Arcot Dt), and at Madras. All the companies have collected the necessary capital, and have imported the entire machinery from U.K. excepting the Seethanagaram factory which still expects one more shipment. All of them have very nearly completed the factory buildings and have installed the machinery. They expect to start production as early as possible.

The Seethanagaram factory has expressed some difficulty in regard to supply of electricity. The Chief Operation Engineer (North) has been addressed in the matter at the instance of the P.W.D. and it may be presumed that he will do the needful.

The other factories have not reported any difficulty in the completion of the buildings etc. The progress made by the Vanaspathi factories seems to be very satisfactory.

The papers may perhaps ~~may~~ be recorded with a C.B. entry against 1-7-49, when the companies may be addressed again for a further report. For orders.

G.O. Ms. No. 596 Dev. 8-2-49  
Abstract:  
Post War- Development- Industries  
Vanaspathi industry- Progress in  
the establishment of new  
vanaspathi factories- Papers  
recorded.

(Previous notes need not be read)

Under the Expansion Scheme of the Vanaspathi industry, the Government have permitted the establishment of seven Vanaspathi factories at various places in this Province, namely

1. The Vizagapatam Vegetable Oil Products, Ltd., Seetanagaram.
2. The Madras Vanaspathi Ltd., Villupuram.
3. The Sudarsan Oil Mills Ltd., Katpadi.
4. The Vegetols Ltd., Chittoor.
5. The East Coast Food Products Ltd., Guntur.
6. The East Asiatic Co., (India) Ltd., Madras. and
7. The Karnatak Vegetable Oils and Refineries Ltd., Hospet.

Apart from the above seven factories, the Government of India have given licence under the automatic expansion scheme, for the establishment of a Vanaspathi factory by M/s. Biarla Bros at Kurnool and another by M/s Sehshazyce Bros. at Tiruchirappalli.

All the above companies obtained necessary import licence and sanction for the issue of capital early in 1945. They have since made all arrangements and have imported the entire machinery. All of them have very nearly completed the construction of the factory buildings and installed the machinery. Some have already commenced production and the others expect to start production early. All possible help is being given to the firms by Government for the early establishment of the factories.

On the whole the progress made by the firms seems to be satisfactory. The papers may be lodged and added to the previous papers at (9) with a C.B. entry against 1-2-50 when the firms may again be asked to submit further progress reports.

For orders.
